REVERSE ENGINEERING & ADDITIVE MANUFACTURING

Product Catalogue 2026

Our own designs, printed in Doha on Bambu Lab H2S printers.
Most pieces can be personalised and made in your colours.

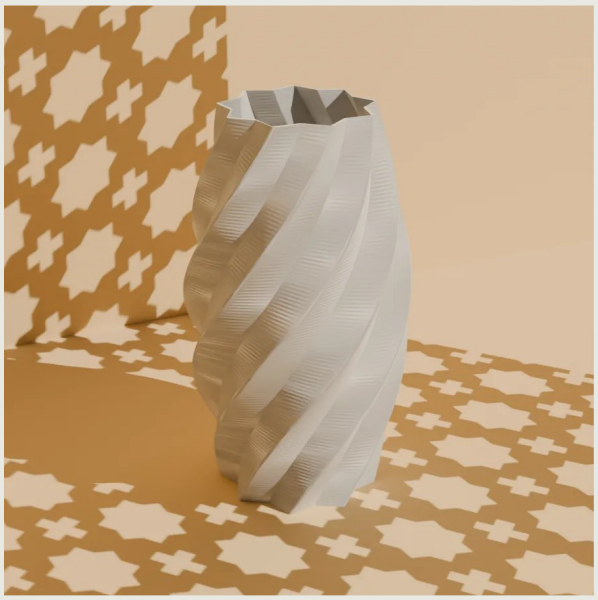

Events · Gaming & collectibles · Home & office · Engineering · Car accessories

EVNT LINE

Events

Centrepieces, table numbers, toppers and signs for weddings, parties and launches.

EVNT-03

Spiral centerpiece vase

A tall nine-point star vase with a 150° twist that catches the light from every side. Made for event tables and dried arrangements.

Material	PLA Matte
Size	13.1 × 13.1 × 23 cm
Note	For fresh flowers, use a glass or plastic sleeve inside.
Colours	Bone white · Sand · Charcoal · Qatar maroon

EVNT-01

Illuminated table-number tower

An octagonal base with a glowing translucent number plate. An LED puck hidden in the base lights the number from below.

Material	PLA Matte base, translucent PETG plate
Size	11.9 × 11.9 × 16.2 cm
Personalise	Table number, up to 3 characters
Note	Includes the LED puck.
Colours	Bone white · Charcoal · Sand

EVNT-02

Personalised cake topper

Two lines of your text in a framed topper with stars and two cake stems. Printed in silk gold or silver for a shine that photographs well.

Material	PLA Silk
Size	16.2 × 15.1 cm, 3.5 mm thick
Personalise	Text on the topper, up to 30 characters
Colours	Silk gold · Silk silver · Bone white · Qatar maroon

EVNT-04

QR & welcome sign stand

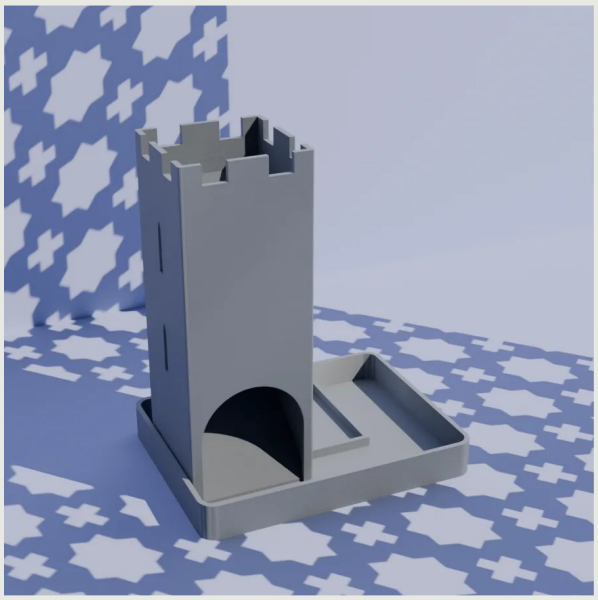

A weighted base that holds a 10 × 15 cm plaque at a reading angle, with a framed window for your QR card and raised SCAN ME / WELCOME lettering.

Material	PLA Matte
Size	13 × 7 × 16 cm
Personalise	Link for the QR code, up to 120 characters
Colours	Bone white · Charcoal · Sand

GEEK LINE

Gaming & collectibles

Desk gear and display pieces for gamers and collectors.

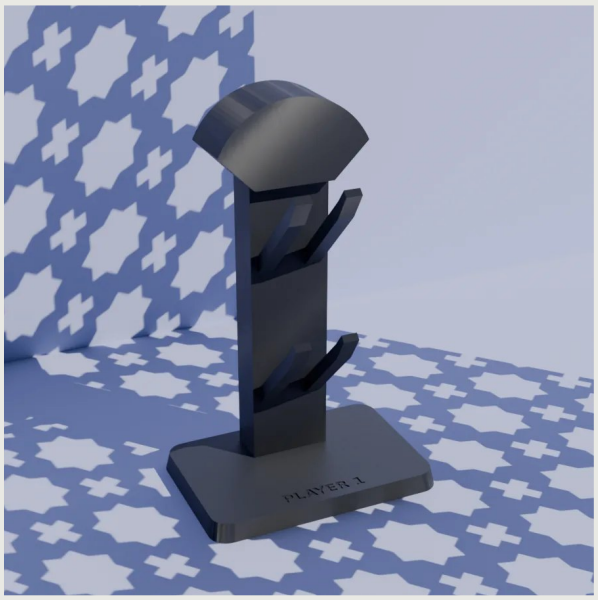

GEEK-03

Citadel dice tower

A castle tower with battlements and arrow slits. Inside, two baffles tumble the dice before they roll out of the arch into a tray. Fits d20s.

Material	PLA Matte
Size	Tower 7.4 × 7.4 × 20 cm, tray 17 × 13 cm
Colours	Stone grey · Charcoal · Qatar maroon

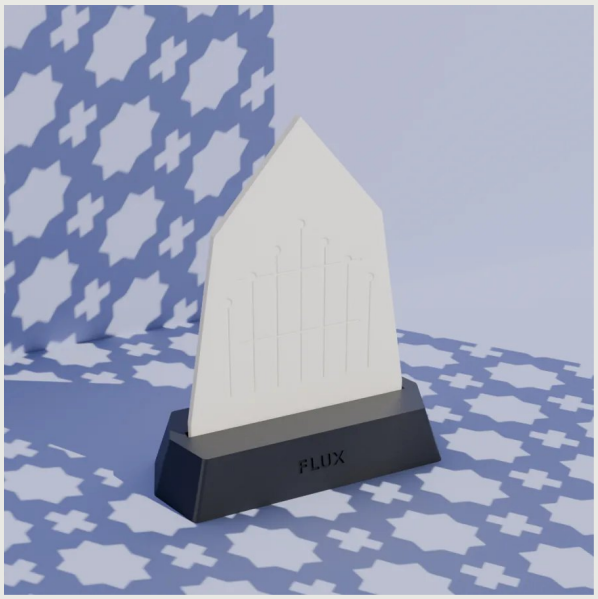

GEEK-02

Controller & headset stand

Holds a headset on the rounded top cradle and two controllers on the angled arms. A pocket under the base takes washers or sand to keep it steady.

Material	PETG
Size	18 × 12 × 29.2 cm
Personalise	Name on the base (optional), up to 12 characters
Colours	Charcoal · Bone white · Royal blue

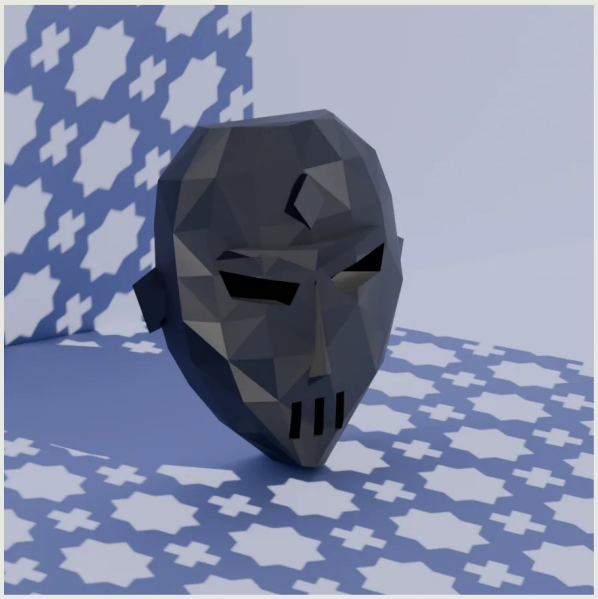

GEEK-04

Flux ambient desk light

A clear blade etched with a circuit pattern, lit from below by a USB LED strip in the base. A soft glow for a gaming or work desk.

Material	PETG base, clear PETG blade
Size	16.6 × 6.6 × 18.9 cm
Note	Includes the USB LED strip. Plug into any USB port or charger.
Colours	Charcoal · Bone white

GEEK-01

Sentinel mask wall plaque

An original low-poly hero mask with a crest, eye slits and a grille. Flat back with a keyhole hanger for the wall.

Material	PLA Matte or Silk
Size	15.2 × 17.8 × 5.6 cm
Colours	Charcoal · Stone grey · Silk gold

PRO LINE

Home & office

Useful pieces for the home and the office, many with your name or logo.

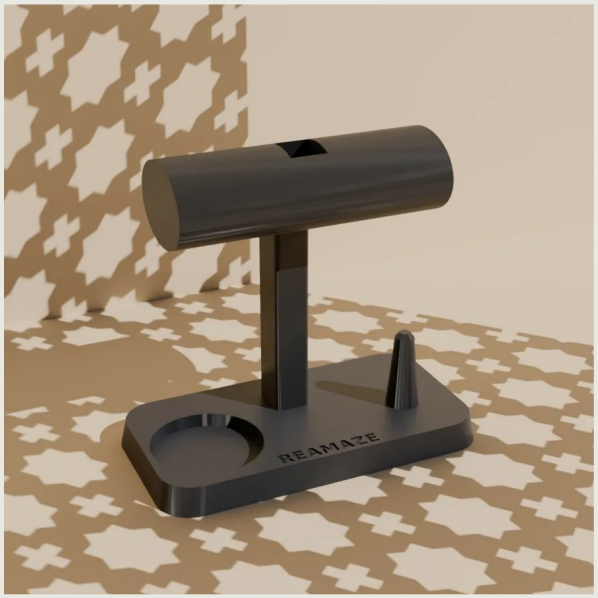

PRO-04

Geometric self-watering planter

A twisted ten-sided reservoir with an inner pot that waters itself through a wick. Top up the water through the fill tube.

Material	PETG
Size	14.5 × 13.9 × 12.3 cm
Colours	Bone white · Charcoal · Forest green

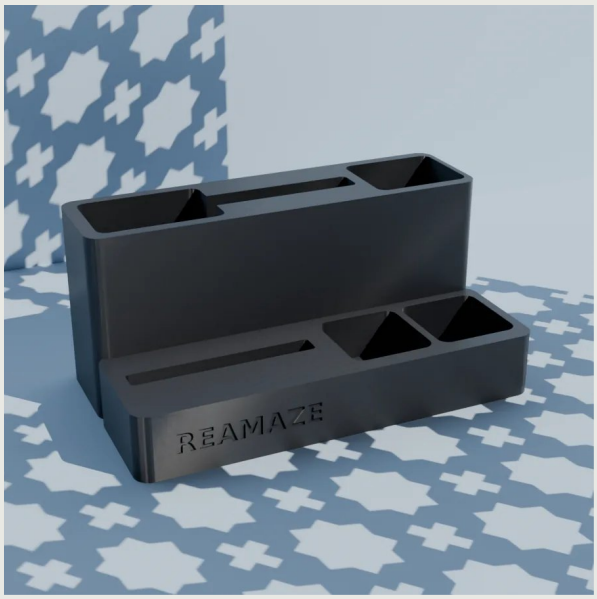

PRO-03

Watch & jewellery stand

A watch pillow on a raised post, a ring cone and a dish for rings and cufflinks, all on one base.

Material	PETG
Size	19 × 10 × 17.5 cm
Personalise	Name on the base (optional), up to 12 characters
Colours	Charcoal · Bone white · Sand

PRO-02

Modular desk organiser

A pen cup, a phone slot with a cable drop, a card holder, two trays and a deep cup in one piece.

Material	PLA Matte
Size	21 × 11.7 × 9.6 cm
Personalise	Name on the front (optional), up to 12 characters
Colours	■ Charcoal ☐ Bone white ■ Stone grey

PRO-01

Illuminated logo desk sign

Your name or logo in raised two-colour lettering on a glowing plaque. A USB LED strip hidden in the base lights it from below.

Material	PLA base, white PLA plaque
Size	21 × 6 × 8.8 cm
Personalise	Text on the sign, up to 14 characters
Note	Includes the USB LED strip.
Colours	■ Charcoal ☐ Bone white

ENG LINE

Engineering

Functional parts for workshops, plants and prototypes.

ENG-03

Equipment ID & QR tag

A tough ASA tag with raised two-colour text, a 30 mm recess for a QR sticker or NFC tag, and countersunk M4 holes for screwing to equipment.

Material	ASA (UV and heat resistant)
Size	9.5 × 5 cm, 4 mm thick
Personalise	Label and asset code, up to 24 characters
Colours	Charcoal · Royal blue · Burnt orange

ENG-04

Sensor enclosure

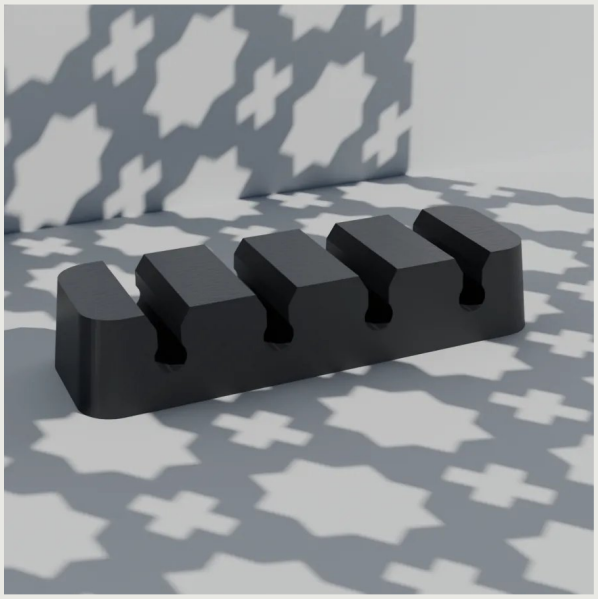

A two-piece box for an 80 × 55 mm circuit board: four PCB standoffs, M3 screw bosses, a hole for a PG7 cable gland, mounting ears and a vented lid.

Material	PETG
Size	12.4 × 6.8 × 3.4 cm
Note	Screws and cable gland are not included. Need a custom size? Ask for a quote.
Colours	Stone grey · Charcoal · Bone white

AUTO LINE

Car accessories

Heat-resistant ASA and TPU parts for the car.

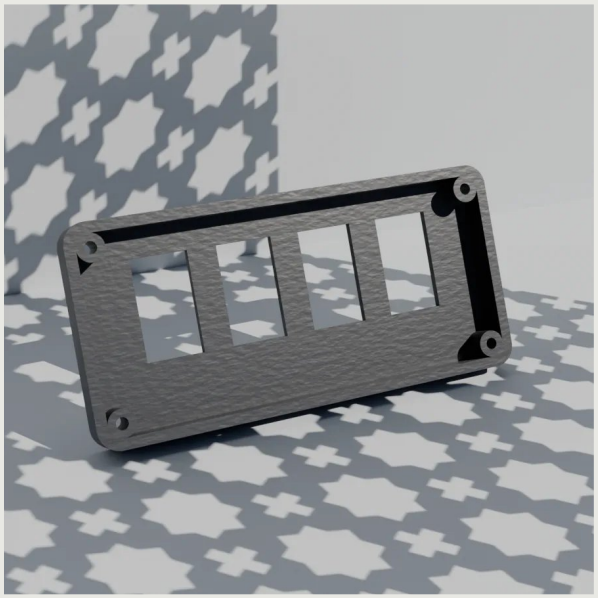

AUTO-03

Dashboard cable dock

Four snap-in channels that hold charging cables in place on the dashboard or desk. Flexible TPU with VHB tape on the back.

Material	TPU 95A
Size	8.2 × 2.6 × 1.6 cm
Note	Includes the 3M VHB tape.
Colours	Charcoal · Stone grey

AUTO-04

Accessory switch panel

A four-switch panel for standard rocker switches, with a label recess under each switch and M4 mounting holes. Printed face down for a smooth front.

Material	ASA
Size	16.4 × 7.8 × 1.2 cm
Note	Panel only: rocker switches are not included.
Colours	Charcoal · Stone grey

AUTO-01

Signature car badge

An oval badge with silver lettering and border on a coloured base. A recessed back takes VHB tape for a clean fit on the car.

Material	ASA
Size	10.5 × 3.4 cm
Personalise	Badge text, up to 12 characters
Note	Includes the VHB tape.
Colours	Charcoal · Qatar maroon · Royal blue

AUTO-02

Centre-console organiser

A tray for the centre console with a coin channel, a card slot and a phone bay. Printed in heat-resistant ASA.

Material	ASA
Size	19 × 11 × 4.6 cm
Note	Made in a generic size. For an exact fit, we can 3D-scan your console: ask for a quote.
Colours	Charcoal · Stone grey

Made for you, in Doha

Any piece in this catalogue can be changed in size, colour or text. We also design new parts from your idea, a sketch or a 3D scan, and print one-offs and batches.
